Resolution No. 2005-05
PAHRUMP TOWN BOARD

A RESOLUTION REQUIRING A PETITION AND VOTE OF THE ELECTORS OF THE TOWN OF PAHRUMP TO CONSIDER ANY INCORPORATION

WHEREAS, the Town Board of the unincorporated Town of Pahrump has found that partial incorporation of an area within the Town that does not include the entire Town is not advisable or feasible; and

WHEREAS, the Pahrump Town Board has found that, under NRS 266.0285(j), the present cost, method and adequacy of regulatory controls and governmental service may adversely affect the Town inhabitants if the entire area of the Town is not incorporated; and

WHEREAS, the Pahrump Town Board has found that, under NRS 266.0285(l), incorporation of any area less than the entire Town could adversely impact Town revenue and services; and

WHEREAS, the Pahrump Town Board has found that, under NRS 266.0285(m), incorporation of any area less than the entire Town could adversely affect the social, economic, and governmental structure of the Town; and

WHEREAS, the Pahrump Town Board has found that, under NRS 266.019, a petition is required of electors within the limits of the proposed incorporation area; and

WHEREAS, the Pahrump Town Board has found that, under NRS 266.0285, an election of all County voters is required to consider any incorporation; and

WHEREAS, the Pahrump Town Board has found that, under Article 8, Section 8, of the Nevada State Constitution, the Nevada legislature can create a city by charter, not requiring apetition or vote of any Town of Pahrump residents or County electors; and

WHEREAS, the Pahrump Town Board has found that all of the electors in the Town should vote on the issue to incorporate the entire Town or any portion thereof; now

THEREFOR BE IT RESOLVED, the Town Board of the unincorporated Town of Pahrump supports requiring a petition under NRS 266.019 and vote under NRS 266.0285 of all electors, and objects to any effort to incorporate any Town area that does not include the entire area of the Town or allow a vote of its electors.
