

Resolution 2001-07  
Good Faith Affirmation

The Town Board of the unincorporated Town of Pahrump, Nevada, wishes to re-iterate its commitment to full and good-faith negotiations with the International Association of Fire Fighters (IAFF) Local 4068.

The Board is asking its negotiating team to pursue an aggressive negotiation schedule to set up additional meetings as soon as possible. To this end, meetings have already been scheduled for May 29 and 30, June 1, and June 6 and 7, 2001.

While the Board has directed a professional negotiator to assist in the formation of a contract, the ultimate terms and conditions shall be the responsibility of the Board.

The Board believes that the resulting contract should benefit the Pahrump Valley Fire-Rescue Service, the Town, and the citizens of Pahrump by promoting, especially, the objectives of professionalism, effective safety and training, good personnel management practices, and a high level of service to the community.

The Town Board hereby states that it supports these objectives and looks forward to a mutually beneficial relationship between the Town of Pahrump and the International Association of Fire Fighters.

Dated this 22<sup>ND</sup> day of May, 2001.
